Contract summary

- This contract summary provides the main elements of this service offer as required by EU law¹.
- It helps to make a comparison between service offers.
- Complete information about the service is provided in other documents.

Services

- Mobile calling plan for residential use.
- Including 400 voice minutes and 400 text messages to Belgian fixed or mobile numbers, from within Belgium or the EU, 24/7.
- Roaming outside the EU roaming zone as well as international calls are blocked by default. A written request for activation thereof can be submitted.
- VAS numbers blocked by default; possibility to be activated afterwards via [my edpnet](#).
- No mobile data included.
- Mobile usage can be monitored via [my edpnet](#).
- Fair use means that an edpnet Mobile subscription is only intended for individual use by a private edpnet customer. It is not intended for use that is inconsistent with that expected of a normal private user. In case of unreasonable use, edpnet reserves the right to suspend and / or terminate the agreement and / or to take other measures. For more details, we refer to article 13.3 of the [edpnet Mobile conditions](#).

Speeds of the internet service and remedies

Not applicable.
